# City of Santa Monica Inclusionary Housing Policy

Jim Kemper, Housing Program Manager

## History

- Began in 1980's with a Housing Element program, subsequently implemented with in-lieu fees and inclusionary requirements
- SM voters adopted Proposition R in Nov. 1990
  - Requires 30% of all new multifamily housing (on a city-wide basis, not per project) be affordable to low/mod-income households
- Various implementing ordinances since 1990
  - Current program = Affordable Housing Production Program (AHPP)

38% of all multifamily development since 1994 is affordable!
 [includes City-funded housing developments]

City of Santa Monica Inclusionary Housing Policy

1/30/2018

3

• Requirements/options differ by housing type

- > apartment vs. condominium projects
- All 'by-right' (Tier 1) apartment projects can pay fee inlieu of including affordable units
- Only condo projects of 3 units or less, or projects located in commercial zones, can pay fee

 More than 1,000 affordable units created through inclusionary housing programs

Housing Sizes					
Bedrooms	Homes	Percent			
0	348	34%			
1	348	34%			
2	300	30%			
3	13	1%			
	1,009	100%			

Population Served					
Income Level	Homes	Percent			
Extremely Low	0	0%			
Very Low	163	16%			
Low-60	110	11%			
Low-80	132	13%			
Mod-100	550	55%			
Mod-120	54	5%			
	1,009	100%			

 70 apartments targeted to Extremely Low-Income Households are now in the pipeline

6

- Units monitored annually for compliance with income eligibility and rent limits
  - > Owner submits reports online, as well as tenant household income documentation
- Household incomes allowed to increase to 140% of income limit before triggering move-out

#### Tier 1 vs. Tier 2 Development Requirments

- Tier 2 developments, which allow higher density than Tier 1 (base zoning), must include more affordable units than required in Tier 1 projects
- Tier 2 developments must provide onsite or offsite affordable units; cannot pay fee in-lieu

# Tier 1 Projects

City of Santa Monica Inclusionary Housing Policy

#### **Apartment Project Options**

- Pay fee = rate x project square footage
  - Currently @ \$34/sq. ft.
- Include % of affordable units onsite
  - 5% @ extremely low, or 10% @ very low, or 20% @ low, or 100% @ moderate-income
- O Provide affordable units offsite
  - within ¼-mile of market-rate project
  - > must be built concurrently with market-rate project

#### **Condominium Project Options**

• Pay fee if project = 2 or 3 units

Currently @ \$39.71/sq. ft.

• Provide units offsite

Must provide 25% more affordable units than required if provided onsite

#### **Condominium Project Options (continued)**

- For projects of for 4-15 units
  - > 20% @ moderate-income <u>ownership</u> units or low-income <u>rental</u> units, or
  - > 10% @ very low-income <u>rental</u> units, or
  - > 5% @ extremely low-income <u>rental</u> units

#### • For projects of 16+ units

- > 25% @ moderate-income <u>ownership</u> units or low-income <u>rental</u> units, or
- > 15% @ very low-income <u>rental</u> units, or
- > 10% @ extremely low-income <u>rental</u> units

#### Onsite Affordable Units

• Must be 2-bdrm units, unless 95% of project is studio or 1-bdrm units

#### • Must be minimum size:

- Studio: 500 sqft
- ≻ 1-bdrm: 600 sqft
- 2-bdrm: 850 sqft
- > 3-bdrm: 1,080 sqft

# **Tier 2 Projects**

City of Santa Monica Inclusionary Housing Policy

 Must include 50% more affordable units than required in Tier 1 projects

O Moderate-income units not allowed

O Cannot pay fee in-lieu of providing affordable units

#### Onsite Affordable Unit Ratios

- 7.5% @ extremely low-income, or
- 15% @ very low-income, or
- 30% @ low-income
- Average # of affordable unit bedrooms must be same or greater than # of market-rate bedrooms

Affordable unit size must = market-rate unit size

Unit Size Ratios for Market-Rate Projects

No more than 15% @ studios
At least 15% @ 2-bdrm units
At least 15% @ 3-bdrm units
Average # of bdrms must be 1.2

#### **Downtown Area Inclusionary Policy**

- Special inclusionary requirements for Downtown area
- Per- project affordability ratio ranging from 20% 30% of total units, depending on project height
- Affordability mix must include extremely low to moderate income
  - > 20% of affordable units @ extremely low-income
  - > 20% of affordable units @ very low-income
  - > 30% of affordable units @ low-income
  - > 30% of affordable units @ moderate-income

#### Incentives for 100% Affordable Projects

#### $\sqrt{}$ Density, FAR, and height bonus

#### $\sqrt{}$ Exemption from development impact fees

19

### **Recent Development Trends**

- 3-unit condo projects [to avoid onsite requirement; fee out allowed]
- 5- and 6-unit condo projects with 1 moderate-income for-sale unit [using density bonus]
- High-density projects in Downtown and on Lincoln Blvd.

## **Inclusionary Housing Pipeline**

	Units with		
	Units in	Planning	
	Construction	Approval	Total
Extremely Low-Income	10	60	70
Very Low-Income	97	65	162
Low-Income	24	13	37
Moderate-Income	8	60	68
Totals:	139	198
